

Student Housing Survey

Acceptance Packet Form 2 of 5

(Please print legibly or type)

The majority of housing in our program is with Pont-Aven host families that have been welcoming Pont-Aven School of Contemporary Art students into their homes for nearly 15 years. The host families all reside within the town limits. No family lives more than a mile away from the school. All of the homes and families are different - not at all like dorm life. We will do our best to meet all your requests, so please be as detailed as possible when filling out this Student Housing Survey.

Because this immersive environment is an integral part of the PASCA curricular philosophy, this expense is included in the total tuition. Breakfast and laundry services are provided by your host family. Post-Bac students have the option to share apartments on a space-available basis at an additional cost

Final housing assignments are made at the beginning of each term and you will be given your assignment upon arrival in Pont-Aven.
